Carozzi's Acquisition of Unilever ice-cream business in Chile

🕒 July 30, 2020 👤 Ambrogio Visconti.

Guerrero Olivos, Dellafiori Abogados and Baker Mckenzie advised on the deal

Unilever executed the sale of its ice-cream business in Chile to Empresas Carozzi.

The arrangement includes the purchase of local brands Bresler and Melevi and the license for the global ice cream brands that Unilever retails in Chile: Magnum, Calippo, Fruttare, Carte D'or, Vienetta and Cornetto.

Unilever in Chile will continue to focus on the categories and brands in which it can develop a sustainable and competitive business.

The offer is subject to certain conditions. We expect completion in the first half of July or later.
