Portfolio de proyectos de energía solar fotovoltaica en España,
 Portfolio de proyectos de energía solar fotovoltaica en Chile,
 Portfolio de proyectos de energía solar fotovoltaica en Colombia,
 Portfolio de proyectos de energía solar fotovoltaica en México

Transaction ID : 299108

Synopsis

🕒 **The Rise Fund acquires portfolio of photovoltaic solar energy projects in Spain, Chile, Colombia, and Mexico** 01-JUL-2020 @ 15:29 GMT [EN](#) [ES](#)

The **Rise Fund**, a fund managed by **TPG Capital**, acquired a portfolio of solar photovoltaic energy projects of approximately 1 GW in Spain, Chile, Colombia and Mexico, from China-based **Trina Solar** [SSE:688599]. The deal value was approximately USD 700m.

The projects are currently operational, under construction or in late-stage development nearing ready-to-build status.

All of them will be managed by a Madrid, Spain-based company called Matrix Renewables.

TRR's original content is often in Spanish and Portuguese. Translations into English may be imprecise. If you've found any inaccuracies in this text and require further information, click below and we will get back to you immediately.
