* Buy-Side: In transactions where the same advisor represents both Buy-side and Sell-side, the deal is credited only once as Buy-side.
* Sell-Side: Sell-side includes advisory mandates for targets and sellers.

In the event two or more firms are tied by deal volume, they are ranked according to aggregate value. In the event two or more firms are tied by aggregate value, they are ranked according to transaction volume. If firms are tied by both volume and value, their previous relative rankings are maintained.
